

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 20, 1995

SUBJECT: **SB 1412**

This bill, if enacted, revises and clarifies circumstances under which general assembly members are paid for expenses incurred while performing the duties of the office. However, expenses for performing legislative duties at the member's legislative office in Nashville shall not be paid for more than twelve (12) days during any calendar year.

The Office of Legislative Administration reports an average of 252 days were paid over the 12 day limit for all legislators during calendar years 1993 and 1994.

The fiscal impact from enactment of this bill is estimated to decrease state expenditures in the amount of \$28,446.

Details of the estimate are set out below:

Avg. No. Of days paid over the 12 day limit for last two calendar years: 252 x \$90	\$22,680
Estimated mileage: 84 trips x 286 miles	<u>5,766</u>
Estimated Decrease in Expenses	<u>\$28,446</u>

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
